

NOTICE AND ACCESS NOTIFICATION TO SHAREHOLDERS

You are receiving this notification as Westport Innovations has decided to use the notice and access model for delivery of meeting materials to its beneficial shareholders. Under notice and access, shareholders still receive a proxy or voting instruction form enabling them to vote at the Company's meeting. However, instead of a paper copy of the Information Circular, shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders. Please review the Information Circular prior to voting.
