

NOTICE & ACCESS NOTIFICATION TO SHAREHOLDERS

WHEN	WHERE
Tuesday, June 28, 2016 10:00 a.m. (Pacific Time)	Westport Innovations Inc. 1750 West 75th Avenue, Suite 101 Vancouver, British Columbia

You are receiving this notification as Westport Innovations Inc. (“**Westport**”) has decided to use the notice-and-access model for delivery of meeting materials to its beneficial shareholders. Under notice-and-access, shareholders still receive a proxy or voting instruction form enabling them to vote at the Westport’s meeting. However, instead of a paper copy of the Information Circular (as defined below), shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders. Please review the Information Circular prior to voting.

BUSINESS OF THE MEETING

Shareholders will be asked to consider and vote on the following matters:

1. Receipt of 2015 Financial Statements: the receipt of the audited consolidated financial statements of Westport for the year ended December 31, 2015, together with the auditors’ report on those statements. Information respecting the receipt of 2015 financial statements may be found in the “Matters to be Acted Upon – Receipt of 2015 Financial Statements” section of the Information Circular.
2. Election of directors: the election of directors of Westport for the next year. Information respecting the election of directors may be found in the “Matters to be Acted Upon – Election of Directors” section of the Information Circular.
3. Appointment of auditors: the appointment of auditors for Westport for the next year and the authorization of the directors to fix their remuneration. Information respecting the appointment of KPMG LLP may be found in the “Matters to be Acted Upon – Appointment of Auditors” section of the Information Circular.

The specific details of the matters are set forth in the Management Information Circular dated May 19, 2016 (the “**Information Circular**”). Shareholders are reminded to review the meeting materials prior to voting.
