

You are receiving this notification as Westport Fuel Systems Inc. ("Westport Fuel Systems") has decided to use the notice-and-access method for delivery of meeting materials to its beneficial shareholders. Under notice-and-access, shareholders still receive a proxy or voting instruction form enabling them to vote at the Annual General and Special Meeting. However, instead of a paper copy of the Management Information Circular dated March 14, 2022 ("Information Circular"), shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and reduce the cost of printing and mailing materials to shareholders. Please review the Information Circular prior to voting.
